

HALLOWEEN PARTY TO BE GIVEN BY Y. M. C. A.

"Weird, Ghostly, Spooky, Shivery Time" Is Arranged by the Association.

The social department of the Y. M. C. A. has sent out invitations for its annual Halloween entertainment. For a number of years this affair has been one of the most enjoyable and one of the most largely attended of all the social department functions. All the old-time Halloween events will be used and, in addition, the men of the bachelor quarters of the Y. M. C. A. who are conducting the affair this year, have made arrangements for some entirely new and original Halloween stunts. The building will be beautifully decorated with corn, autumn leaves, jack-o'-lanterns and electrical effects. The invitations advise members that they must come prepared to have a "weird, ghostly, spooky, shivery time" and also state that no young man member will, under any circumstances, be admitted by his "Satanic majesty," who will guard the door, unless accompanied by a lady.

SET MACHINE SLEUTH ON AUTOMATIC THIEF

Believing that it has been systematically robbed by several concerns in the city, the Utah Light & Railway company has set about a system of detection for meter "jumpers." The company has arranged to install second meters on wires leading into places where "jumpers" are suspected of being in use, and the difference shown between the meter readings will quickly determine whether or not the suspected parties are guilty.

SALT LAKE TO BUILD MILL

Holman-Payne Lumber Company Men Finance Big Undertaking in Suburb of Portland, Ore.

According to an interview given by George P. Holman of the Holman-Payne Lumber company of Salt Lake, to Portland papers, he has successfully financed a big sawmill project in Portland. It will be put up by the Burlington Lumber company, on the line of the United Railways at the coming suburb of Burlington, at an estimated cost of \$50,000. Its capacity will be 100,000 feet. A frontage of 1,260 feet, representing fifteen acres on Willamette slough, and touching the line of the United Railways company, has been purchased by the Salt Lake firm. Switches are to be put in which will tap the United Railway, and also the Hill road. The slough will be dredged, affording enough water to float the big rafts of logs, while a dock will be erected for ocean-going vessels.

Burlington was selected as the mill-site for the specific purpose of getting in a position to receive logs from the Nebalem and Tillamook country, and also from the Columbia river. On the other hand, the United Railways is headed for some of the finest big timber lands on the Pacific coast, so that the supply will be unlimited. Not caring to operate the corporation under the firm name of the Utah company, it will be known as the Burlington Lumber company. The officers are: George P. Holman, president; H. P. Cone, vice president, and Phelps Holman, secretary and treasurer. The Holmans are Salt Lake men, while Mr. Cone was formerly of Cone Brothers, well known lumber manufacturers of the Columbia basin, Oregon.

SAYS BARTENDER HIT HIM

Proprietor of Saloon Denies There Has Been Trouble in His Place.

Wilford Lewis of Hunter is suffering from a badly battered head today as the result, he says, of being attacked by the bartender at the Bess saloon, Twelfth South and West Temple streets, late Tuesday afternoon. Lewis says that he stopped in the saloon and purchased a glass of beer, and that as he was leaving the saloon he was attacked by the bartender, who struck him over the head with a short club. He says he intends prosecuting his assailant.

Persons living in the vicinity of the saloon are authority for the statement that a number of rows have occurred at the saloon in the past few days, and that a farmer from Mill Creek had his jaw broken during a fight in the place. The proprietor of the saloon denies that there has been trouble there at any time.

Don't think because you have taken many remedies in vain that your case is incurable. Hood's Sarsaparilla has cured many seemingly hopeless cases of scrofula, catarrh, rheumatism, kidney complaint, dyspepsia and general debility. Take Hood's.

SEPARATE AFTER YEARS

Mrs. Winnie C. Custer Says Husband Deserted Her, Although Both Live Here.

After a married life of thirty-seven years, Mrs. Winnie C. Custer yesterday filed suit in the district court against Ernest L. Custer, whom she married in Germany, asking for separate maintenance. She says her husband deserted her in 1892, though both have lived continuously in Salt Lake City. The Custers had five children, three of whom are living, and all have attained their majority.

Mrs. Custer claims that when her husband deserted her, he took property belonging to both of them. They jointly own property at 429 Seventh avenue, she says, and asks that her husband be enjoined from disposing of this, and from drawing out any money now in the bank.

Causes 95 Per Cent of Diseases

Advice Concerning Stomach Troubles and How to Remedy Them

Do not neglect indigestion, which leads to all sorts of ills and complications. An eminent doctor once said that 95 per cent of all the ills of the human body have their origin in a disordered stomach.

A physician who made a specialty of stomach troubles, particularly dyspepsia, after years of study perfected the formula from which Rexall Dyspepsia Tablets are made. Our experience with Rexall Dyspepsia Tablets leads us to believe them to be the greatest remedy known for the relief of acute indigestion and chronic dyspepsia. Their ingredients are soothing and healing to the inflamed membranes of the stomach. They are rich in pepsin, one of the greatest digestive aids known to medicine. The relief they afford is almost immediate. Their use with persistence and regularity for a short time brings about a cessation of the pains caused by stomach disorders.

Rexall Dyspepsia Tablets will insure healthy appetite, aid digestion and promote nutrition. As evidence of our sincere faith in Rexall Dyspepsia Tablets, we ask you to try them at our risk. If they do not give you entire satisfaction, we will return you the money you paid for them, without question or formality. They come in three sizes, prices 25 cents, 50 cents and \$1.00. Remember you can obtain them only at our stores—The Rexall Stores—Smith Drug Co., Inc., "The Busy Corner", Smith Drug Co., No. 2, 106 South Main street, and Druehl & Franken, 271 South Main street.

Map of Infected Locality Being Distributed by the Sheep Commissioners.

Cards setting forth the boundaries of the district to the west of the city which is quarantined on account of sheep suffering from scabies were posted at various places Wednesday by representatives of the state board of sheep commissioners.

The district, as already has been mentioned, comprises the strip bounded on the south by Twelfth South street, and lying between the Redwood road and a point three miles west of that road, and extending north from the point last mentioned to a point forming a continuation of Second North street in this city.

RETURN FROM TRIP TO DEPORT INSANE MAN

Jose C. Hise, inspector in charge of the United States immigration service in this city, arrived in Salt Lake Wednesday from New York, where he went about three weeks ago, in company with David Mattson, state chairman, to take Frank Seman, an insane Austrian, to the east for deportation. The trip to New York required five days and five nights, but was accomplished without any special happenings. Seman was sent on a steamer from New York, his destination being Podgoric, Austria.

ALL STOMACH MISERY IS ENDED BY TAKING A LITTLE DIAPEPSIN.

Indigestion, Gas, Heartburn, Headache and Other Distress Will Go in Five Minutes.

If you had some Diapepsin handy and would take a little now your stomach distress or indigestion would vanish in five minutes and you would feel fine.

This harmless preparation will digest anything you eat and overcome a sour, out-of-order stomach before you realize it. If your meals don't tempt you, or what little you do eat seems to fill you, or lays like a lump of lead in your stomach, or if you have heartburn, that is a sign of indigestion.

Ask your Pharmacist for a 50-cent case of Pape's Diapepsin and take a little just as soon as you can. There

will be no sour risings, no belching of undigested food mixed with acid, no stomach gas or heartburn, fullness or heavy feeling in the stomach, Nausea, Debilitating Headaches, Dizziness or Intestinal griping. This will all go, and, besides, there will be no undigested food left over in the stomach to poison your breath with nauseous odors.

Pape's Diapepsin is a certain cure for out-of-order stomachs, because it prevents fermentation and takes hold of your food and digests it just the same as if your stomach wasn't there.

Relief in five minutes from all stomach misery is at any drug store waiting for you.

These large 50-cent cases contain more than sufficient to thoroughly cure almost any case of Dyspepsia, Indigestion or any other stomach disturbance.
